

**1st Annual
2010
Global Youth Day Project**

Proud Recipient
Of
2010 Global Youth Day Grant
Awarded
By YouthVille Detroit

The purpose of this grant was to purchase supplies that would be used to eliminate debris and beautify the block that the Kronk Gym resides on, as well as sanitize the interior of the gym.

**A special thanks to each and everyone who participated in the
2010 Kronk Gym Global Youth Day Project**

Kronk Gym Foundation is requested the YouthVille Detroit Global Youth Service Day grant, because we felt the importance to be the example and teach our youth the importance of community improvement, as well as a life of accomplishment. As we show them how important it is to work together as a team in the gym, we can also teach them to be a team in giving back, to our community.

In our community, there is a lot of littering, vandalism, poverty plus illegal activity. Our mission is that we are committed to making a difference in the well-being of youth through character-building, education and recreation. The program's goal is to provide recreational facilities, in addition to mentoring for the overall development of youth in Metro Detroit.

This project was the perfect example of building ones character, with this project we will demonstrate, positive youth involvement and community service, Our youngsters train daily at the gym, preparing for tournaments

and life. Most often times, only they know what is going on in their everyday lives at home with more than 90% being from single parent homes. These youngsters are forced to see the vandalism, illegal activity and the litter on the sidewalks.

That's why we are taking a stand, and embracing our youth by showing them that it doesn't have to stay that way. When we first heard of this Global Youth Day event, we presented it to our youth, and they were eager to be involved. Not only will we support them on this day, but we also discussed long-term benefits of maintaining a clean environment.

Outcomes

- Our youth will have had the experience of *accomplishment and teamwork*.
- To have maintained a clean community.
To have revitalization and beautification become a reality
